MMCCC MEMBER PROFILE

I am currently a consultant assisting State and Local Governments and the private sector in a range of areas including strategic planning, community engagement, mediation and intergovernmental relations. I am a Commissioner on the Local Government Grants Commission, the Local Government Boundaries Commission and currently a Board Member of the Kangaroo Island Tourism Alliance.

I have been consulting for the past three years and previous to that I was the Commissioner for Kangaroo Island (2015 – 2020), CEO of the Local Government Association of SA (2005 – 2015). Prior to 2005, I held various roles in the Local Government Association having come from a range of roles in the State Government.

I am married with one child, a son, who recently had a child, so I am now a first-time grandmother and really enjoying this new role. When not working, I love to read books, especially crime novels, and have a keen interest in politics and for exercise, I love to walk the local neighbourhood.
